Re: 56 Churchill Avenue, Cambridge, MA.

Dear Mr. Benedetti,

I believe you received a permit to remove the remaining structure on or about 7/31/06. You were also ordered to place a fence around the property on or about 4/17/07 and to clean out the lot. Inspectional Services Department knew that a building permit was in process and assumed that the construction would begin soon thereafter, but it has not.

At this time, the vacant lot must be filled, graded and maintained in conformity to the established elevation of the street grade. You are in violation of 3310.4 of the Massachusetts State Building Code.

If you have any questions on the above matter, please contact me at the above number.

Sincerely,
